Customer Reviews

This series has quickly become one of my most looked-forward-to comics. Consider me hooked!! This one had so much new stuff and I was on the edge of my seat the whole time.

This comic is like simultaneously seeing a rainbow and a corgi at the same time. The magical qualities can only be matched by that of the most magical of creatures...the unicorn. If the story wasn't magical enough, the illustrations will make you swear that you have been transported to a land where fluffy corgi butts rule with a majestic waddling. Buy, read, and weep.
