Customer Reviews

There's a solid mix of classical, jazz, folk, and Christmas music. Great for beginners and intermediates. I bought one for trumpet, trombone, and sax, for my three boys, and told them they get extra video time whenever they practice these together. Worked like a charm! My wife loves to hear them play these together; she says it's almost like they might one day (in theory, mind you) get along.

Oh yeah, can hear the music now. Great sale.
