Customer Reviews

Giuseppe Fortunino Francesco Verdi was an Italian Romantic composer primarily known for his operas.

Delightful assembly of CD and libretto and history for a new fan of the opera.

Definitive performances of this timeless opera mark this recording as excellent. Book details the story of the opera and the life of Verdi.

This approach to the opera is very customer oriented. The small hardback book contains two CDs with the entire Verdi opera La Traviata. This version is the one where Beverly Sills sings the lead role of Violetta and the Royal Philharmonic Orchestra is conducted by Aldo Ceccato. Beverly Sills is outstanding in this role. The book is illustrated with photographs and paintings of Verdi as well as photographs of the various opera companies that have performed La Traviata in the past. The libretto is in Italian and English. The history of the opera is well written including connecting this opera to the novel Camille by Alexander Dumas. Overall this is a nice way to package an opera for customers who wish to be educated while enjoying the music.
