Holy Spirit is book of great depth and honesty. You will be encouraged, challenged and comprehensively changed by learning about the Holy Spirit and the role He wishes to play in our lives. In our times, the simplicity of spending time with Him has been supplanted by works and performance and by other things that impede and replace His Presence and influence. Read this book, lock yourself away with Him and see what happens!

Highly Recommended! Annoited Words from a man who desires to reveal God to you. These words come from a heart surrendered to God in his secret place. High Praises to the Power of the Holy Spirit!

Excellent book.

Great Read

I was intrigued by Michael Koulianos's question, "Have you ever seen Jesus?" This is the first chapter of Michael's book "Holy Spirit: The One Who Makes Jesus Real." By the end of chapter one, I knew I was going to experience a whole new dimension in my walk with Jesus, my relationship with God, through the Holy Spirit. Michael Koulianos combines the story of his spiritual journey with Biblical truths on the person and work of the Holy Spirit. Michael focuses on the role of the Spirit in our lives, in giving us access to the presence and resurrection power of Jesus, to reconsider and encounter Him as savior, and to develop a dynamic relationship with Him as Son of God. Michael is authentic and genuine; he writes with authority, from his experiences; telling of his personal encounters with Jesus and the Holy Spirit. Michael's book is destined to ignite the hearts of those hungering to know more of God. Michael Koulianos author, international evangelist, and founder of Jesus Image, has a passion for bringing the saving and healing message of Jesus to the world. "We need fire again. We need real Holy Spirit fire. Our generation is tired of sitting through services that are perfectly planned, perfectly calm, perfectly directed by men and women, yet leave the

sinner a sinner, leave the backslider backslidden, and leave those sick and suffering in their disease. We need real fire again. " Fire of the Holy Spirit...in this statement from the book we see that the need is defined and the power is presented! This book will guide your search and increase your longing for the Holy Spirit! Don't miss it!!!

Awesome book. Koulianos expounds upon the Person of the Holy Spirit and beautifully illustrated the simplicity of the Gospel. Couldn't put it down after buying it on a whim.
