Boundaries In Marriage Participant's Guide

Synopsis

You long for a marriage marked by lifelong love, intimacy, and growth. And it can be yours--if you set wise boundaries. Boundaries are the "property lines" that define and protect each of you as individuals. Get them in place and you can make a good marriage better and possibly even save a less-than-satisfying one. By the time you've completed this Groupware, you will know yourself and your mate better than ever before. You'll also understand and practice the ten laws of boundaries in ways that can make a real difference in your relationship. Step by step, the Boundaries in Marriage Groupware helps you apply the biblical principles discussed in the book Boundaries in Marriage so you can--

- * Set and maintain your personal boundaries and respect those of your spouse
- * Establish values that form a godly structure and architecture for you marriage
- * Protect your marriage from different kinds of "intruders"
- * Work with a spouse who understands and values boundaries--or work with one who doesn't

Good marriage bible study.

loved it

good stuff

Poor quality video production and difficult to understand. Contradicts itself. Would not recommend.

Follows the DVD and Books well. But I was disappointed that it did not encourage couples to interact with their answers.

Purchased book for small group discussion. Questions too deep to get through them all on one session

Great content but very shallow, general questions. Reading the actual book is a must. The supplement video is also OK. The cover art is wrong.

I LOVE the original Boundaries book by Cloud n Townsend. I kept it next to my bed and read from it nightly for 3 years, as I worked to learn and replace my ineffective, codependent coping skills with effective ways of interacting in relationships with family, friends, and co-workers. I bought a copy of Boundaries in Marriage for each of our children and their partners when they became engaged. I have several other C & T titles and can highly recommend all!
