The Mystical City of God is a monumental four-volume history of the life of the Blessed Virgin Mary, as revealed by Our Lady to Venerable Mother Mary of Jesus of Agreda (1602-1665), a 17th century Spanish nun. Venerable Mary saw in ecstasy all the events recorded within the books. Later, Our Lady told her to write them down • the result is The Mystical City of God, acclaimed by Popes, cardinals and theologians, a book which has inspired the laity and the clergy for over 300 years and which has gone into sixty editions in various languages. Arguably, the most important book • second only to the Bible • ever to have been written. The Mystical City of God, revealed to Mother Mary of Jesus by Heaven itself, complements and completes the story of the life of Our Lord and Savior Jesus Christ but, in addition, provides the rich history of the entire life of His Most Blessed Mother. Through the study of Our Lady, we come to know Her, Her Son and the Blessed Trinity in ways never before imagined. The Mystical City of God consists of 4 volumes; The Conception, The Incarnation, The Transfixion and The Coronation. This is the Complete Edition, consisting of the unabridged Volumes I to IV, containing Parts I to III, Books I to VIII. Customer Reviews

I purchased my 4 vol set in 1985 and I am truly grateful that this is now on Kindle and at such a give away price! Please continue to put Catholic books on Kindle so that more people can avail of food for the soul. Having a Kindle has brought me great joy in having with me all the precious books that I love ! Thank you and God bless you all.

First, I have to admit that I'm not smart enough to comprehend even a fraction of the depth that's contained in these writings. That being said, since reading this, along with The Dolorous Passion, and The Life of the Blessed Virgin (St. Anne Catherine Emmerich) my Faith has grown exponentially. It's an interior growth that's inexplicable and an awesome gift. Read this book, and the others, without worrying whether it's "too deep" or above your understanding. The gifts contained here are too precious to pass up.

A most plausible and mystical account of our Blessed Mother, mother of the Christ. A must read for everyone, Catholics and nonCatholics alike, which provides a complete record of her blessed and Divine works both past present and future; and that, we must all reexamine our individual lives and make the ultimate commitment to God, the Father, Jesus, and the Holy Spirit. In addition, we must incessantly seek the protection and guidance of the Virgin Queen at all times to rectify our mortal transgressions. If we all were to subscribe to Her Wisdom, mankind would find peace, love and harmony that is lacking in this world. One of the main transgressions; that our forgetfulness of the Fathers Divine love and heavenly rewards which are within all our grasps, in addition to our earthly vices are most abominable to Him. The extreme humility and love that our Lady exhibited during her mortal life reveals to us the roadmap to eternal happiness which is attainable for all Gods creatures.

This is an excellent read. My only complaint is that the book doesn't download enabling me theft to read it without internet, but maybe this is due to my lack of knowledge on how e books work. Read this with much thought and an open heart and it will divulge her treasure to you. Got in his infinite mercy and love will come to you and give you his peace which surpasses all understanding- The Blessed Mother will obtain great braces for you if you ask it of her. There is no better mother.

This is an absolute MUST READ for those Catholics trying to grow closer to Our lord and Saviour. Whom better to lead us closer to Him than His Mother, Mary? After the Bible, this is one of two other books that has helped me most in my own struggle through this earthly pilgrimage. Do not pass this by, regardless of the length of this book. If it takes you a year or so to read it, so be it. You will find it worth while if you are serious about growing closer to Jesus and His Mother, Mary.

I have been reading this, a little each evening, for a month and I am 18% through it. I have never read a more intricate, detailed book in my life. If it wasn't about the holiest human being ever created, it would seem tedious. But, since it is about the Mother of God, the tiniest piece of information is welcomed. I also have the 'abridged' edition and it seems that the abridgment is only about 20% less print so you might want to try it. Non Catholics might find it too much to absorb but Roman Catholics should spend the next six months (12 months !) soaking this in !!! Well, it's May, and I am now 42% through the book. and have come a good bit closer to Our Lady. What a beautiful Gift to us She truly is. It is an honor and a privilege just to be allowed to love Her. Our Lord shows His unlimited generosity in sharing His Holy Mother with the world. I am thankful. :o) Well, it is August of 2015 and I am at 82% through on this Masterpiece. It has drawn me closer to Our Lord and His

Most Holy Mother than I thought possible. I hope you get this !!

This book will change your life forever and you will honor and respect and love the Blessed Mother as Jesus wishes her to be honored. Perhaps you will even come out with some vows. As we approach May the timing is perfect to start reading a chapter a day.

One can be only inspired by the awesomeness of God, his plan, and the blessed gift of our Holy Mother. The images, lessons and words from Mary stay in your heart and mind to transform your spirit.
