Tarragon Turkey MedallionsA Recipe from American Heart Association Low Salt Cookbook, 3rd Edition Preparation of this entrÃƒÂ©e is very fast paced, so have your side dishes ready before you begin cooking it. Mixed salad greens topped with Cider Vinaigrette and Rice and Vegetable Pilaf make good accompaniments.Ingredients:Ã¢â€” 2 tablespoons fresh lemon juice Ã¢â€” 2 tablespoons waterÃ¢â€” 1-1/2 teaspoons fresh tarragon leaves or 1Ã¢â€•â€“ 2 teaspoon dried,

crumbled

My mother was recently hospitalized with heart failure, and is now limited to 2000mg/day of sodium. Having eschewed processed foods many years ago - I rarely buy can, box, or bag - I was absolutely stunned by the amount of sodium in nearly everything at the grocery as I was grasping for meal ideas for her (and her traditional Southern salt/pepper taste buds.) I've now made numerous items from this cookbook for her, and she has loved every dish. Try the pork loin with apple dressing, it's worthy for Sunday company. The meat loaf is also incredible. Additional tips: Invest in many, varied spices and fresh herbs, a good balsamic vinegar, and keep a bowl of fresh lemons on the table. There IS life after salt!

This cookbook is a lifesaver now that I'm on a sodium restricted diet. Great ideas for ways to cut sodium.

The recipes are good. However, I would like to have more illustrations of items.

with high blood pressure this has came in very handy.

Wish there were more pictures. Lots of information on a low sodium diet.

Excellent recipes for low sodium cooking which are clearly written and easy to follow.

This book from the AMA is really a lot of help to learn how to cut the salt. Kmoris-Tw

Surprisingly a combination of science and cookbook! Extremely easy to follow (even the science-y part)! Looking forward to trying the recipes soon. BTW, the illustrations (all hand done) are excellent ... and this is coming from someone whose cookbooks are full of photographs! They are just as good as photographs if not better.
