The Misadventures Of Salem Hyde: Book Three: Cookie Catastrophe

Synopsis

Ah, the great outdoors. Tents, sleeping bags, nature walks, campfires . . . and maybe a few spells thrown in for good measure! In this entry in the series, Salem takes her first camping trip with the Squirrel Girls, but neither Whammy nor Salem is cut out for roughing it. Salem believes a bit of magic will smooth the way . . . but as usual, it creates more problems than it solves. Salem and Whammy are an irresistible duo in a book perfect for the youngest independent readers.

Frank Cammuso is an Eisner-nominated cartoonist, the creator of the popular middle-school graphic novel series *Knights of the Lunch Table*, and the illustrator of several beginning-reader graphic books, including *Ottoâ™s Orange Day*. He lives in Syracuse, New York.

My daughter's name is Salem so when she found a series with her name in it at the library she was hooked! She asked for the whole series for Christmas so that is why I bought them. They are written kind of like a comic book, not the traditional chapter or story book. so just FYI. I haven't not read the stories myself but she is 6 and does just fine with them.

Bought this as an end of year gift for one of my students who got into this series this school year. Also bought a copy for me to keep in my class library and read. Awesome series of course. Book 1 was on the Texas Bluebonnet list this year.

My favourite one so far! This one has an orange cover so by now we know that means the illustrations will be coloured with shades of orange. A girl scout themed story only here they are called the "Squirrel Scouts". Salem gets to wear a uniform, endures the hardships of door-to-door cookie selling and finally camping. Of course, she's plagued by spells going wrong causing havoc at every turn but she's improved a bit since the first book and does get one right now and then at least when it comes to fixing her mistakes. This continues the humour on two levels reaching both the intended audience and the adults who may be reading too. I'm charmed with this cute series.

It was funny fantastic and magical. It was full of frivolous mirth. I also loved how it was funny. Me.

BEST BOOK EVER! My 8-year-old immediately started reading this book as soon as it arrived in the mail. She finished reading it that day! She LOVED this book!!!! A++++ The entire series of Salem Hyde books are wonderful.
