The Leading Book on Men's Ministry Basics For nearly twenty years Steve Sonderman has been in the trenches week after week, working with men in his church and around the world. He knows what it takes to create a vibrant, enduring ministry to men. And in this book--newly revised and expanded--he reveals proven ways to reach today's men, including how to: Plan strategically Build effective leadership Develop healthy small groups Motivate and mobilize your men Whether you are starting a men's ministry from scratch, or wanting to jump start an established program, this book provides the inspiration and practical ideas necessary to take your ministry to the next level and beyond.

Steve Sonderman, one of the country's first full-time men's pastors, leads the vibrant men's ministry at Elmbrook Church in Brookfield, Wisconsin. Founder of the national No Regrets Men's Ministries (www.menwithnoregrets.com), he consults widely, trainin

I'm only part of the way through this book at the moment, but I'm already loving it. What Sonderman writes about men's ministry is fresh and insightful, and it is also to some extent broadly applicable to ministry in general. This is a very well-written, accessible and engaging work, and I would highly

recommend it for anyone involved in men's ministry in any capacity.

Steve does a great job of detailing how to build a men's ministry. While covering the topic from A - Z, the number of possible applications are overwhelming. I wonder if less information is needed and more emphasis on the initial ideas and the implementation of those ideas.

Pastor Steve gives his best to help and guide men who are called by God, appointed by their Pastor to lead a men's ministry. This book answers the question of "Where or How do I start?" God bless your heart pastor Steve!

Actively working to implement these great ideas.

The practicality of the book is unmatched. The principles are applicable across the board in ministry and their application is a valuable and very achievable approach to healthy ministry.

Great book. A lot of great info that will help any layperson or mens leader in a church lead mens ministry.

Excellent book for anyone leading a Men's Ministry

Practical guidance in establishing a growing ministry to men.
