Customer Reviews

Among all of the dictionaries, that I have used, the Thorndike Barnhart Student Dictionary has been my preference for my students because of its key word chart, the pictures/illustrations, the encyclopedic format, the word family listings and all of the additional helps. The dictionaries that I have received have been in good condition and reasonably priced.

Excellent resource for ACE paces!!

I love this dictionary. It's perfect for readers of all levels. It's very thorough yet simple enough that you don't end up with several words to look up just by reading the definition. I LOVE this dictionary!!

quickly. good . The product has an excellent edge, works wonderfully on my homemade bread! as the price. i need it ,

the student dictionary it is a hard back book no missing pages very good condition. My daughter used very day for school and very day used.
