Customer Reviews

Older book but really good. I had so much fun I can't wait to try out the places in Portland.

Arrived in good condition just as described. Cant wait to explore :)

The information found in this books is not only helpful but at times can give you a chuckle I will be taking it with me when I visit Portland

A surprising amount of info is out of date / inaccurate given it's only 2 years since it was published.

I highly recommend using for purchases for those hard to find items. I have found plenty of things I've been looking for.
