Love Stage!!, Vol. 3

Synopsis

Izumi Sena is an average guy born into a family of famous celebrities. A college student and total otaku, he works hard every day with the goal of someday becoming a manga creator. Izumi Sena is an average guy born into a family of famous celebrities. A college student and total otaku, he works hard every day with the goal of someday becoming a manga creator. Popular actor Ryoma Ichijo confessed to him, but Izumi made him promise they'd start off as friends. Strangely, it's Izumi who can't seem to stop thinking about Ryoma and they aren't all innocent thoughts! What happens when a reporter gets the dirt on Ryoma's crush?! And will Ryoma's patience finally be rewarded with a night of making love?

Book Information

Customer Reviews

Eiki Eiki is the creator of numerous yaoi and shojo manga. Her previous English-language releases include Train, Millennium Prime Minister, and The Art of Loving. Born on December 6, she is a Sagittarius with an A blood type. Taishi Zaou's works have been published in English, French, and German. Her previous English-language releases include Green Light, Fevered Kiss, Living For Tomorrow, Mysterious Love, and Electric Hands. She was born a Capricorn on January 10 and has an O blood type. Eiki Eiki and Taishi Zaou's hit series Love Stage!! has been adapted into a drama CD and a television anime series. They also publish doujinshi (independent comics) under the name "Kouzouya." You can find out more about them at

their website, <http://www.kozouya.com/>.

Over the past two books, Izumi has come to terms with his burgeoning feelings for Ryoma. I imagine that the typical yaoi fan is something like Ryoma: comfortable with boy/boy interaction because they're in love with the situation. Me, I sympathize more with Izumi as the feelings and characters that matter to me, and I'm not always comfortable with the more explicit scenes (which have been fairly few so far). Izumi has given in to his fate and accepted that he's bound to become a celebrity which usually seems to involve him dressing as a woman. Meanwhile, there's a lot of publicity interest in actor Ryoma's "secret lover". At a press conference, it all comes out. It's the weird encounters in the world of fame that keep me entertained by this series. Izumi is basically famous for being famous and for looking good as a member of the opposite sex. I guess it doesn't take much more to briefly seize the imagination of today's celeb-conscious culture, and at least super-manager Rei realizes that his lack of talent will eventually become an issue. (Rei is amazing, since he also ends up giving Izumi sex advice! Apparently, he's a lead character in the spin-off light novel series, where he's involved with Izumi's older brother.) The increased attention brings the couple's feelings for each other out, making them finally confess honestly to each other, although first we get a sequence where Izumi, like Clark Kent, isn't recognized as being famous so long as he keeps his glasses on. Of course, that trick doesn't work for long, and some life-threatening danger is apparently just what he needed to be clear for himself about how he feels. I'm not sure where Love Stage!! will go next, as we turn an important corner this installment, but I'm curious to find out more. (Review originally posted at ComicsWorthReading.com.)

Love stage!!, vol. 3 is the Best book I read today I can't wait to payday to buy 4-5-& 6 on pay I can wait I can wait

Gets my daughter to read im good!! Lol she loves these stories

Loved it

I don't want to give you the details of the story. You'll want them to unfold naturally. Suffice it to say that the characters are likeable, the action believable and the storyline smooth and succinct. I really enjoyed it.

The characters are hard not to like. The story is fun to read and I look forward to the next book.

Cute

It was the best of all I can't wait for the next one
