Love Stage!!, Vol. 6

Synopsis

Izumi Sena is an average guy born into a family of famous celebrities. A college student and total otaku, he works hard every day with the goal of someday becoming a manga creator. Izumi has been trying his hardest to get Ryoma to shake his amnesia and remember him. Thanks to an accident during filming, the two are forced to take shelter in an abandoned logging hut. Alone and sharing body heat just to stay warm, could this be the miracle Izumi has been waiting for?

The cliffhanger set up in the *Love Stage!!*, Vol. 5, with Ryoma and Izumi trapped in the

wilderness, isn't it? It played out as significantly as I hoped. However, the second half recalls a key part of Izumi's personality that I'd almost forgotten about, one that puts the boys into a charming situation. First, though, the boys are missing, and everyone's worried. The couple gets a sex scene, but emotionally, we spend more time with the older Shogo (Izumi's brother) and Rei (the family manager) as they reassure each other. Thankfully, the rescue and the resulting deep feelings are played for comedy, which is in keeping with the welcome silliness of the series. The element I liked about Izumi that we hadn't heard about in a while was his ridiculous desire to be a manga creator. He loves the idea so much, but he's so immensely unqualified for it in every possible way. I know it's easy for manga creators to make manga about making manga, but here, it fits into the entertainment world setting as yet another option. Izumi's artistic failure (as we've seen before) is brought home drastically when he gets an apprenticeship, but it also provides a charming opportunity for Ryoma to demonstrate the depth of his feelings for him, by working to share his boyfriend's interests. It's a hilarious combination of fame in different fields. Izumi even finds a way to wind up contributing in a situation that calls back to the first volume. ~3.5/5 We get the conclusion to the amnesia plot line here, and unsurprisingly the happy make up between Ryoma and Izumi. There's some sexy stuff here, and a lot of sweet moments. They exclaim their undying love to each other over and over. It's over the top, but I still really enjoy it. I think they're cute, and it's not too exaggerated so as not to be too much. After that, Izumi gets to be an assistant to his favorite manga-ka. Here, we get to see how useless he really is in making a manga. He's honestly awful at it, and it's also not a surprise that Ryoma is quite good at it. Since they're both quite busy working, they have to work around their schedules to make time to see each other. I actually love Rei and Sho even more than Ryoma and Izumi. I seriously find them adorable and I want to read their story, if there is one. We get at least two scenes between them in this volume, including a super adorable one at the beginning, that I am just in love with. This series is an easy, cute and sexy romance. I usually enjoy each volume more than I expect to, and am looking forward to the next. [More of my reviews are available on my blog, Geeky Reading, to which there's a link on my profile.]

Another awesome book from Eiki ! I can't wait for the next one to come out soon! I very curious as

to what will happen next for this wonderful couple.

Love it

I love the way this series is going. It came before it was expected and had a very high quality cover. If you like this series this volume will not disappoint.

Fabulous! I absolutely love this series and can't wait to read what happens next! Love it to the moon and back!

Love ware it's going

its very yummy.
