Visualizing Human Geography: At Home In A Diverse World

Synopsis

Newly revised, Visualizing Human Geography: At Home in a Diverse World, Third EditionÂ maximizes the use of photographs, maps and illustrations to bring the colorful diversity of Human cultures, political systems, food production, and migration into the undergraduate classroom. This text provides readers with a thrilling approach to the subject, allowing them to see Human Geography as a dynamic and growing science and helping them move beyond the idea that geography is about memorization. Unique presentation of visuals facilitates reflection on the textual content of this text, providing a clear path to the understanding of key concepts. In its Third Edition,Â Visualizing Human Geography: At Home in a Diverse WorldÂ includes improved coverage of migration and industry and new animations to support each chapter.

Customer Reviews

works like its suppose too. really happy with product.

very good class textbook

It was exactly what my daughter needed for her class at Oklahoma State University. Plus, I saved some \$++. We will be doing this again!

This is not for regular high school students, especially English Language Learners!!!!!!

Great condition

Excellent, interesting book! So glad it was assigned! Want to find a version to keep!

Good

it is what I ordered but a revision behind the required text :-/ Worked in a pinch
