Customer Reviews

"This [DK Eyewitness Travel: Top 10] might be the best traveling companion to throw in your pack. It's a slim and sleek overviewâ | loaded with practical and useful content." â " Gadling.com"Knownâ | for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." â " Chicago Tribune"The best optionâ | Color photos, maps, and diagrams bring the place to life." â " The Philadelphia Inquirer

I used this book throughout the country and really enjoyed its accuracy, photos, and descriptions. Do understand though, that the EW series travel books are basically more in-depth colorful travel brochures. But for the traveler on a typically American worker's-length vacation, they are superb. EW books are the catalyst for fully exploring foreign countries/cities.

I usually buy DK Eyewitness guides as they are loaded with information and detail. They do not seem to be as biased as some travel books. Also they keep their information up to date.

This book had a great amount of detail regarding the history and gave excellent recommendations on what to see and do.

I live DK guides and this one is no exception. It's beautiful, well organized, updated and a joy to use.

Great guide. Very useful on my trip to Vietnam. Wish it had a listing of the good restaurants but I know that would be hard to do as things change so quickly.

Can't go wrong with Eyewitness travel guides

DK Eyewitness guides are the only ones I buy. Nothing else compares.

came as expected.
