Megan Hess is an international fashion illustrator who works with some of the most prestigious fashion designers and luxury brands around the world, such as Chanel, Dior, Cartier, Montblanc and Tiffany and Co. She is the official illustrator for Bloomingdales and completed the cover artwork for all of Sex and the City author Candace Bushnell's books and recently a private commission for Michelle Obama, along with a collaboration with Gwyneth Paltrow for the Blo Blow Dry Bar campaign. This is Megan's third book following Fashion House and her latest stunning collection The Dress.

I love this book as much as I love all other books by Megan Hess. She is beyond talented at illustrating and putting images/commentary in a way that is pleasing to see. I have to admit that I never read Chanel's biography, so I definitely learned a lot about her from this book. But even if you've read every book on Chanel, this is a unique and fresh way to learn even more about the fashion icon and see her life through whimsical illustration.

When finishing this book I thought "is it about Chanel or the illustrator?". After mulling it over I came to the conclusion that it was excellent. The author/illustrator gave highlight info about Chanel and surrounded it with lovely illustrations; even though I've read all I can find about Chanel I came away with the desire to delve deeper into her life. So kudos to the author for making me want more. Excellent book.

I bought this for a friend's birthday. She loves Chanel, but that wasn't in my budget. The next best thing was a Chanel tribute book. The illustrations are adorable and the info is great. I also loved the metallic edged pages!

I ordered this as a present for my daughter, who is a make-up artist and stylist. She absolutely loves it! I found it to be very original and interesting, also.

Very happy with this book! Love Megan Hess!

My 9 year old is fascinated by CoCo Chanel and this book was perfect and appropriate.

Adorable coffee table book! Bought it for my salon for guests to look at while they wait

A beautiful book!! Thank you!
