Great Twentieth-Century Violin Concertos In Full Score (Dover Music Scores)

Synopsis

This volume contains the original full scores of three of the most popular modern violin concertos. Included are Sibelius's Violin Concerto in D Minor, Op. 47 – among the most played and recorded of all violin concertos; Elgar's Violin Concerto in B Minor, Op. 61, a ravishing combination of bravura and sweetness; and Glazunov's Violin Concerto in A Minor, Op. 82, a masterpiece of lyricism and virtuosity that is considered one of the composer's finest works. Reproduced from authoritative European and Russian editions, all three scores are now available in this inexpensive one-volume score, enabling musicians and music lovers to study and enjoy three classics of the violin repertoire.

Book Information

Series: Dover Music Scores

Paperback: 240 pages

Customer Reviews

As expected

_

This excellent set of scores, published by Dover, brings Dover's consummate work at a reasonable price. The editors do a marvelous job of staying true to the original text from which their reprints are derived. The print is clear, and the staves are nice and distinct. (The only concern maybe that too much erasing could permanently wipe off the ink on the page.) Instruments are clearly labeled and

numberings of key pts. in the concerti help a lot. I highly recommend this book to any music enthusiast, and especially to all violinists who are playing, or will play, any of these great violin concerti.
