Pete the Cat is back! and this time he's rocking in his school shoes. Pete discovers the library, the lunchroom, the playground, and lots of other cool places at school. And no matter where he goes, Pete never stops moving and grooving and singing his song . . . because it's all good.

Little children, medium-sized children, everybody loves this book and CD. The music is so catchy and good. You will like the story and enjoy the pictures. The CD is so fun to listen to. Great narrator and so fun to listen to and sing along with (and dance along with) the little song that breaks out as each event happens. I first came across this book and CD at a music class for 2-year-olds. It was a hit.

Is there anything better than Pete the Cat? My pre-K students with special needs love this cool dude. He's just so laid back and ready to handle anything that comes his way. It's such a great lesson to teach my students and this is the one I use to start every school year.

So catchy!!!! My daughter has loved this book since age 2 and is now 4 and still loving it. This is book and the 4 groovy buttons are my favorite of all the Pete the Cat books!!! Highly recommend!!

My 2.5 year old son loves the Pete the Cat books. Wish they had a board book option, but hardcover helps. His teachers at daycare read these books to their class, so he came home asking for these books at home. Has not stopped reading them since (demands to have me leave one in his crib when I put him to bed, so he can try to read to himself). Check out the YouTube videos for the songs -- so cute, he sings them all the time.

I have taught Pre-K for the last four years, and I must say, what a delight to have found this book! This book will serve really well for the beginning of the year. We usually use *The Kissing Hand*, but I will be using this book as an intro to tour around the school. I love the moral of the story - that no matter what happens in life, it's "all good." The kids are going to love shouting "Goodness,

no!" to the repetitive question "Does Pete worry?" I can see myself using that question during class when the children get into situations that make them feel sad or mad. :) I love how there is an MP3 to the book, with the song, on the publisher's site!! I also bought the doll too. Both Pete the Cat books will really kick start a new year of Pre-K with great attitude and fun! The illustrations are simple and colourful and pleasing to the eye. This book is definitely a treasure for Pre-K teachers!! The story is cute and engaging. Perfect for 3 and 4 year olds!

Granddaughter and I love love love Pete. Got them all, all that we found, 4 in all.

Sent as a gift. Needless to say it was a hit! They loved it.

My son loves this book! He walked around singing the song for days (he must have learned it at school!) When I googled it this came up. What a sweet little book and song.
