The Identicals: A Novel

Synopsis

The Instant New York Times and USA Today Bestseller! Identical twin sisters who couldn't look more alike...or live more differently. Harper Frost is laid-back, easygoing. She doesn't care what anyone thinks of her. She likes a beer and a shot and wouldn't be caught dead wearing anything fashionable. She's inherited her father's rundown house on Martha's Vineyard, but she can't hold down a job, and her latest romantic disaster has the entire island talking. Two beautiful islands only eleven miles apart. Tabitha Frost is dignified, refined. She prefers a fine wine and has inherited the impeccable taste of her mother, the iconic fashion designer Eleanor Roxie-Frost. She's also inherited her mother's questionable parenting skills--Tabitha's teenage daughter, Ainsley, is in full rebellion mode--and a flailing fashion boutique on Nantucket in desperate need of a cash infusion. One unforgettable summer that will change their lives forever. After more than a decade apart, Harper and Tabitha switch islands--and lives--to save what's left of their splintered family. But the twins quickly discover that the secrets, lies, and gossip they thought they'd outrun can travel between islands just as easily as they can. Will Harper and Tabitha be able to bury the hatchet and end their sibling rivalry once and for all? Before the last beach picnic of the season, there will be enough old resentments, new loves, and cases of mistaken identity to make this the most talked-about summer that Martha's Vineyard and Nantucket have experienced in ages.

Customer Reviews

Praise for THE IDENTICALS: "A sun-drenched treat." —Kim Hubbard, People "Another Hilderbrand beach hit." —Jocelyn McClurg, USA Today, 10 Hot Books You Won't Want to Miss This Summer

Elin Hilderbrand is six minutes older than her twin brother, Eric. She spent time on Martha's Vineyard (summer 1989) before she ever discovered Nantucket (summer 1993), the island she has called home for twenty-four years. Hilderbrand is the mother of three busy teenagers (pause and consider what a miracle it is that this novel even exists). The Identicals is her nineteenth novel.
