We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. Good for identification but values listed don't seem to be anywhere close to being available in the market place.

Excellent reference for firearms & prices.

Basically full of useless info, you certainly could not accurately price a gun

Bought for my husband, loves this book!!!

just what we needed

Gave up looking for values when I could only find 1 out of the first 4 guns I tried looking up.

Comprehensive and well-edited. Great detail
