## Customer Reviews

i own the entire series great works

I like it. The songs are worthwhile for the most part. The only thing I can complain about is that it doesn't feel much harder than Book 4. That might just be me, though. Otherwise, it's a great set of violin pieces.

You know the routine for Suzuki--it's the standard, well-written, thorough student's book. Very

pleased with the music contains.

Great book. Not much harder than Volume 4 though. Arrived in great condition.

Suzuki quality product builds violin skills. One book builds on the next level.

Just what it should be.

As advertised.

loveeee itttt
