Customer Reviews

Such an excellent book.By reading this book I got proper idea about Soap Making.A lot of important information has been gathered in this book.I was actually impressed by how much useful information is squeezed in such a short book.By reading this book I learned some effective techniques.Author has described every single thing very clearly with some proper explanations.Such an excellent book.Highly recommended.

Oh my word, Chocolate Mint Soap! I am definitely going to try it out today. In this fantastic soap making book i found different recipes, from kitchen soap to exotic body soaps. The history of soap making is discussed as well as different soap making methods. Each recipe is step by step and illustrated with a beautiful picture. Well done!

Good book! Here You Will Find The Most Useful Instructions and Popular Soap Recipes That Will Make Your Soap Making Much More Interesting!

Easy and complete guide to soap making! I received right what I wanted! At the first part of book author describes different methods of soap making, so you can choose what you preffer.At the end you will great recipes, that are quite simple, but also interesting. You will easily get results as described. Highly recommed for all beginners!

have not look at it

Every detail in the process of soap making is covered without being overwhelming. Small batch and bulk soap making are both thoroughly covered. I was very impressed with the chapter detailing the actual recipes. The recipes cover everything from the super luxurious to the more economical... Everything is explained well and makes a natural progression to keep you interested and learning. I would highly recommend for people who want to make some good soap at home with fragrances which they want to use and not limited to the market variety. I recommend this book for anyone

interested in soap making.

The recipes used to making the soap listed in this book are unique and after trying some of the recipes i discovered the uniqueness of the soap, I would recommend this book for those who love to get started in the business of making soap. recommended
