Murder Island (A Rogan Bricks Thriller Book 3)

Synopsis

A small island and killers everywhere. No communications. No boats. A hurricane closing in. Rogan Bricks alone against an army. Former FBI agent and Marine Rogan Bricks once uncovered a shadow government and took down a drug cartel, so he's looking forward to his next assignment to infiltrate a laid-back meeting with financial wizards on a Caribbean island. Nothing dangerous this time, all he has to do is listen and report. Yeah, right. It's just his luck when ruthless commandos sneak onto the private island and start killing everyone. At the risk of blowing his undercover mission, Rogan must find a way to rescue the survivors and discover why these assassins are here... in the middle of a hurricane! Standalone action novel following the best-selling thrillers *The President Killed His Wife* and *Counterblow*.

Customer Reviews

I absolutely love Steve Richer's writing style and the Rogan Bricks novels are the best. After what seemed like an eternity here comes a new one, *Murder Island*. Yay! When I started it I told myself I was going to read it slowly so that I could make it last, unfortunately that was impossible. This book

is so action packed that it isn't so much you need to know what is going to happen next, but you are sucked into what is happening now, and it never slows down. Bravo Mr. Richer, this one is killer!

ÄfÄ Ä Å,Ä ÆœÄ Ä“Strongly recommend!

ÄfÄçÄ Ä“Ä Ä´ÄfÄçÄ Ä“Ä Ä´ÄfÄçÄ Ä“Ä Ä´ÄfÄçÄ Ä“Ä Ä´ÄfÄçÄ Ä“Ä Ä´ stars

Lots of action. Lots of bad guys bested by a few determined good guys.

Easy undercover work on a Caribbean Island ÄfÄ Ä Å,Ä Ä´Ä Ä´ for 2 days; what could go wrong? Rogan Bricks was a Marine, who then joins the FBI, somewhat of a hero. But, constantly putting his life in danger gets old, so he retires. The FBI talk him into the undercover work; they just need him to attend a meeting, listen for financial information of a Mob Boss, and report back. With a few more facts, these Agents could get funding and approval for a real investigation. I wouldn't have believed it possible to put so much action, violence, gun play, and dying into a 48 hour period, if I hadn't read it for myself. This storyline is explosive, creative, and clever! Lots of twists and turns and surprises. Lots of bad guys and worse guys. A really tense, enjoyable, and fascinating read!

I have read all the Rogan Bricks books and I think this one is my favorite yet. There isn't as much mystery as the others but it makes up for it with imaginative action scenes. Fights, shootouts, chases, all while a hurricane is building, it kept me reading for hours straight.

I've been a fan of thrillers for a long time and "Murder Island" hit the spot. I liked that the characters weren't exactly stereotypes but you could still tell the good ones from the bad ones. The author really nailed the action thriller formula. If there's one complaint is that I would've loved to know more about Gina, but I liked that she was a strong independent woman and not just some love interest along for the ride.

When they invented the term "page-turner" it was this book they were thinking about. You always find yourself turning pages because you want to know what's going to happen next. Everything is described vividly and it's as if you're there in the Caribbean. I also LOVED the hilarious dialogue filled with one-liners.

Move over John McLane, Rogan Bricks is taking over. Murder Island sets the table for what would be the perfect next Die Hard movie. There's a confined location, good and evil characters, and then

the showdown which is a lot of fun. The main character has that same amusing quality and sarcastic sense of humor Bruce Willis used to have in those early classic movies. Nearly perfect novel.

The premise is exactly as described, essentially one man taking on an army on a small island. There is obstacle after obstacle, forcing the heroes to face their biggest fears. Excellent thriller.
