Customer Reviews

This is one of my toddler's favorite books. It's a great way to teach the lesson of swimming. She will duck her head with Boots and swing her arms. We talk about water safety too while reading. The illustrations are very engaging and keep her interested.

Sent this to my granddaughter. She's two. She loves it so much she sleeps with it. I'm going to buy another one.

great book. one of my daughters favorites!

My great niece loves the water and loves Dora's books.

Perfect for my 2 year old son's first trip to the beach. He's a big Dora fan and this got him very

excited for the sand and water.

Grandchildren really enjoyed this book.

Great book!

Another fun Dora book. My 2.5 year old loves it - she tells us that she wants to go swim in the ocean like Boots and Dora!
