Customer Reviews

This book doesn't tell you anything about the sites to see in Bordeaux. If you are looking for a book to tell you about the major sites to visit while in Bordeaux for a day or two, this is not it! It was a complete waste of money!

Absolute rubbish. NO useful info at all. It was a very small book with very large text and didn't really provide any useful travel info that you couldn't read right off the town's Wikipedia page. Went in the trash.
