Customer Reviews

WHY would someone pay for a listing that you can get for free anywhere on the net? Here's one spot you can get this FOR FREE!!https://en.wikipedia.org/wiki/Louise_Penny#WorksOr just go to her website here<http://www.louisepenny.com/books.htm>

This seemed to not include all the books available from the Penny series, so it wasn't very helpful at the place I was reading. There may be a more current version.

I could have gotten this order on , for free! This book or pamphlet doesn't even give a description of all the books. That would be helpful to refresh the reader's memory of previous books read.

Not much help.

This is as ridiculous offer, and should not have any stars. I don't know why I paid \$.99 for a list of books (no summary of) that's not even current. Don't waste your money.

I really thought there would be more to this than a simple list. It's disappointing in that regard.

I made a mistake buying this! It is nothing more than a list of some of her books. It is only 5 pages long. I thought it was free, which it should be. I want my 99 cents back.

You must read these stories in order because of the author's excellent character development and because of references to previous "cases." This book is invaluable.
