Customer Reviews

I'm teaching high school journalism for the first time and I've found this book to be very helpful. It has some great exercises in it and has taught me and my students a lot. I definitely recommend it.

Overall it is a very handy starting guide. The biggest problem with it is that the writing is more suited to middle school than high school.

Goes along with the text very well...good reinforcement for high school journalism students. Answer book is equally good. Highly recommend.
