Beautiful photography. A good read

I have always been interested in the sacred powers in places all over this earth. This book will give you a glimpse into that world. It gathers in your spirit and brings your mind into focus on so many deeply spiritual moving places. I bought it because of my unquenchable nature to learn about these places. The photography is truly a visual feast for the eye. Its stories will deeply affect your spirit. I heartily recommend this book of world treasures. Don Knebel

Wow. Spellbinding, magnificent, beautiful. Let this pilgrim take you on a journey you'll never forget. There are places in this book I didn't even know existed. Now I feel like I've been there. Martin Gray is not only an impeccable photographer, he is a brilliant and gifted writer. I highly recommend it. I've also given it as a gift and several friends have commented on how they treasure it.

Larger than I thought. Beautiful pictures.
