Driftwood Cottage (A Chesapeake Shores Novel)

Synopsis

Return to the beloved town of Chesapeake Shores in this beloved tale of second chances and pursuing dreams by #1 New York Times bestselling author Sherryl Woods—and watch the new series Chesapeake Shores on Hallmark Channel! Single mom Heather Donovan's dreams of home and family are tantalizingly within reach when she settles in Chesapeake Shores. The welcoming arms of the boisterous, loving O'Brien clan embrace her and her son. But accepting their support seems to further alienate her son's father, Connor O'Brien. His parents' divorce and his career as a high-powered divorce attorney have left him jaded about marriage. Then everything changes. Will the possibility of a future without Heather make Connor look at love and his career differently? Heather's just about given up on her old dreams—of love, of family and especially of Driftwood Cottage, the home she secretly wishes were hers. It's going to take a lot of persuasion—and some help from the O'Brien family—to make Heather believe that some dreams are worth fighting for. Originally published in 2011.

Customer Reviews

Good reading

A very frustrating story was told very well by the author. Glad Heather finally made the. Decision to marry Connor.

I would recommend Sherryl Woods books because they are about close family ties. This book is a series a family and their friends and the people they fall in love with at the Chesapeake Shores

It is great recreational reading. It was so interesting I did not want to put it down.

I am so loving this series as I power through each book. Cannot wait for next one!

I am really enjoying Sherryl Woods' "Chesapeake Shores" series

Easy readLove the series.A little predictable but a nice and clean read.Read others in the series before this one.

If you have read the prior Chesapeake Shore's novels, the ending of this one is as expected but it's the "getting there" that's important and this was enjoyable & well written. I look forward to reading the exploits of each of the other family members.
