Customer Reviews

I chose this book as I am very curious about dream and telepathic sex. I'm somewhat a newbie to it all and found the exercises easy and I plan on trying it out. Allie's book is really informative and I find myself with more knowledge about out of body experiences. This book is not for skeptics or the close minded. I'd say there was very useful and helpful information for newbies and advanced people. I loved reading about Allie's clients and Allie's own personal experiences. I will recommend this book to my friends who are into obo and astral traveling and lucid dreaming.

WOW am I terrible. I thought I had reviewed this book? I did Allie's Home study course which was basically the same. Then out came her book! The book is great and a very Low price. I have read the book and parts of it several times. Believe me I have looked High and low and there is nothing better on this subject than this book!! So I have a very Happy and Fulfilled Spiritual Life and it fills my life down here as well!!! Thank You Allie Thesis

Many of my Kapalika Aghora Apprentices have problems with out of body experiences, and this

book has helped many of them get over this problem. I recommend it to all of them as one that they should learn from and refer to often. Couple that with the fact that sexual energy is the core source for all forms of Shamanic activity, and this book helps them twice over. That is especially true for the Sacred Prostitutes we train. Simply put, this is a wonderful book, and this system really works well. You will not go wrong by getting this book and using what it teaches.

This book is written in a "down to earth way" that you feel like the author is talking to you about it over coffee! Her unique humor comes through- you can tell she has a wonderful spirit!!!!

Very well written, insightful, full of real life experiences, and easy to follow instructions on how to achieve amazing erotic experiences on a whole other level.

I found this book informative as well as fun. Allie writes about complex topics in an easy to understand matter. I was aware of being able to exchange energy before, but this gave me new ways to practice.

This is a very helpful book in uncovering my soulmates, and I learned a lot from the examples in order to achieve out of body ecstasy in my own life thanks allie for a very informative book, and looking forward to the next one !

I learned a lot from this book and my husband was interested in reading it as well. It is easy to read and definitely educating.
