Niagara Falls, 2nd Edition (Tourist Town Guides)

Synopsis

Niagara Falls is a place with many faces. Its numerous resort-hotels and breathtaking scenery make it a romantic retreat. The museums, video arcades and sideshows make it a popular family destination. The area's hiking and wilderness trails make it perfect for nature-lovers. And yet, despite all the secondary distractions, the falls themselves have managed to survive being overshadowed. They are powerful, beautiful, and awe-inspiring.

Niagara Falls, 2nd Edition (Tourist Town Guides) is packed with the information you need to plan a great vacation at this incredible city. With a comprehensive index and intuitive table of contents, it is easy to find the information you need. Detailed chapters include: Niagara Falls History from the ice age to the birth of modern tourism Area Orientation, what to pack, how and when to go, and getting around once you're there Exploring the Falls on both the Canadian and American sides, with details on all the top ways to see Niagara Falls Area Attractions that go beyond the falls, such as amusement parks, wildlife exhibits, cultural attractions, and more Resorts and Hotels, indoor waterparks, casinos, and hotels with views of the falls Select Restaurants from casual eateries to fine dining experiences Clifton Hill activities, haunted houses, shopping, nightlife, arcades and amusements Getting Married at Niagara, including marriage licenses, ceremonies and honeymoons Greater Niagara Region, details on neighboring cities and the Niagara Wine Region Recommendations for top family attractions, romantic activities, and more There is so much more to Niagara than just the falls! In this comprehensive guide, learn about the best ways to see the falls, the best places for family fun, the best dining, shopping, resorts and more! Niagara Falls as it all, plus golfing, indoor waterparks, arcades and casinos. Whether on your first or tenth visit, this guide will help you explore the many wonders that Niagara has to offer.

About Tourist Town Guides You have come to a tourist town to see something special; something spectacular. Yet when approaching, billboards and promotional flyers advertising countless attractions inundate you. Many of them have nothing to do with why you have come in the first place, and they are all vying for your tourist dollar. But are these attractions really any good? How can you tell the best from the rest? This is the purpose of the Tourist Town Guides series; to keep you informed with honest, independent information about national and regional tourist destinations. Use these guides to help look beyond all that self-serving promotional information. The books in this series are your comprehensive guides to all things tourist.

Customer Reviews

I would not waste your money on this book! We planned a family vacation to Niagara Falls and I read it cover to cover, eagerly anticipating our trip. The pizza place we wanted to try is closed on Sundays (which it fails to mention in this book) and the breakfast place was out of business altogether! It states that the Maid of the Mist is way less crowded on the American side... NOT SO! We were packed in like sardines and could see the Canadian side was much less crowded. It also doesn't say how incredibly crowded things were. The suggestion to purchase boat tickets for an afternoon boat ride would have been a terrible idea as the lines just continued to grow and grow and grow! We were traveling with 4 children, so I always try to read up and anticipate long lines, etc and have places picked out ahead of time to eat. This book was NO HELP AT ALL. Save your money!

This book has lots of helpful information about where to go and what to see around Niagara Falls, Canada. We had done research before our trip but having this guide helped while we were there. It only has a few pictures but you will make plenty of your own while there.

Niagara Falls is one of the most famous places in the Americas. "Niagara Falls: With the Niagara Parks, Clifton Hill, and Other Area Attractions" serves as a history of the falls, a travel guide with plenty of details for the falls and the region, as well as plenty of advice for making the most out of a trip to the magnificent and breath taking natural wonder. A choice guide for any natural tourist, "Niagara Falls" is a fine addition to any travel collection.
