The First Milking: Creating A Hucow (Hucow Dairy Farm Erotica) (Taking The Hucow Book 3)

Synopsis

Karly, a gorgeous curvy woman, finds herself suddenly in a human dairy farm. Will she submit to her new life as a human cow? Karly is the newest member of the Milkmaid Dairy Farm, known for its quality cream and milk products from human cows. She is hesitant to join the herd, so John, the commanding owner of the farm, and a few farmhands have to help her see the way to a happy hu-cow future. They are determined to make her produce milk like only birthing girls can. Mack, a farmhand, and John are more than happy to give Karly her first milking and show her how good it feels to be a good human cow. The outcome is hotter and creamier than she could have imagined! The First Milking: Creating a Hu-cow is the third book in the Taking a Hu-cow series. This 5,300+ word short story focuses on a new human cow being taken and milked for the first time. This story includes cowboys, human cows, rough sex and an ample amount of dairy.

Customer Reviews

Will she submit to being a hu-cow? She secretly dreamed about becoming one she admits soon in this short story, so I didn't worry for the outcome on this question. The way she is getting there is hot.

Although the beginning of her waking up not knowing how she got there, with other words it wasn't her free choice to show up on this farm. But she feels at home very soon. Enjoyable read and even since it is a short story it is a finished one. Does it leave me to want to read more about Karly? No but i wouldn't mind to read more from this writer

Yummy! I wish I could be a HuCow! It would be so much fun to have men well, I think you should read this little piece of taboo erotica!

this is for a very specific type of taboo if you are not into woman being degraded and treated like barn animals this book is not for you.

Good book.. Sexy and titilating
