The Land Of Four Seasons: Part:1

Synopsis

Michael and Michelle were born into a world of chaos and destruction. The twins must learn to overcome these forces of destruction if they are going to survive. Their mother, trying to escape the abuse of their troubled father, runs into the arms of a dark and mysterious stranger she knows little about. But is he the man he portrays himself to be? Michael and Michelle quickly learn that they must depend on each other if they are going to survive the darkness that seeks to tear them apart. A story of innocence lost, of innocence stolen. Together the twins must learn to find the courage to heal and to become victims no longer. **Warning:** This book contains graphic scenes depicting child sexual abuse, psychological abuse, physical abuse, emotional abuse, teen drug abuse, teen alcohol abuse, teen suicide, teen bullying, and domestic violence.

Customer Reviews

I grew up in Tehachapi. The author's descriptions of the area & playing outdoors brought me right back to my own childhood. Very sad to know these things were happening to these poor children. Heartbreaking.

I am astonished at the depictions of the trials of the "characters" in the book. Speechless, I was not able to put the book down. Ryan A.

Sad to know this happens so much right under our noses and we have no idea what could be going on right next door.

Awesome story and well written. Most definitely worth the read.

Not many books grab me right away, but this one did. I can't begin to put into words all I am feeling and thinking from having just read this. The way everything is so detailed makes you feel as you you're there, experiencing everything the kids in the book are. Can't wait to get my hands on book 2!

Such an excellent story. It is intense and gripping, an easy read. It can be graphic at times but it tells a compelling story. The story left off abruptly but picks right back up in the second part. It's sad the issues kids are faced with these days. Such a heart breaking and courageous story. Looking forward to part 3.

Compelling read.....couldn't put it down. Found myself rooting for the main characters, heart pounding. Anxiously awaiting part II
