A Brief History Of Central America

Synopsis

A Brief History of Central America, Second Edition explores the history of the Central American isthmus from the pre-Columbian cultures to the contemporary nations that make up the region today: Belize, Costa Rica, El Salvador, Guatemala, Honduras, Nicaragua, and Panama. This second edition brings the history of the region up to date with new developments, including recent elections, the continued struggle with the aftermath of the civil wars, and the impact of the free trade agreement signed with the United States in 2003/2004.

Average Customer Review: 4.1 out of 5 stars 5 customer reviews

Best Sellers Rank: #1,752,211 in Books (See Top 100 in Books) #112 in [Books > Children's Books > Education & Reference > History > Central & South America](#) #1152 in [Books > History > Americas > Central America](#) #1455 in [Books > Textbooks > Humanities > History > Latin America](#)

Customer Reviews

..,"a well-written book and an excellent addition for all library collections."..,"a handy reference for basic data concerning Israel since 1948 ... Recommended."..,"the author's devotion to Bolivia and concern for its future shines through...Recommended." "The book provides an unusual and noteworthy blend of narrative detail with a broad analytical framework...Recommended..." "This book will be a good place to start for anyone doing general research on Peru and is recommended for general and academic collections."..,"concise and interesting accounts of the histor[y] of Brazil...most appropriate for university collections and could be used as [a textbook] for undergraduate classes in Latin American studies."

Lynn V. Foster is a writer, former research scholar, and adjunct faculty member in the Hispanic

Studies Department of the University of Massachusetts at Boston. She is the author of Facts On File's Handbook to Life in the Ancient Maya World and A Brief History of Central America.

Summarising such a culturally dense region into 300 pages is impossible but well done with some nice side bars for interesting characters along the way. Always want to read more but then it wouldn't be `a brief history` would it?

This truly is a brief history of Central America. It is very concisely and precisely written . If one is traveling or even interested in this area of the world it gives a very excellent over view of the history of this area from pre-Columbian time until now. It adds to the understanding of what is going on in this sometime overlooked region.

Very well laid out and easy to understand. Love the extra information embedded at various points that describes people and events that impacted the area being discussed.

Packed with information.

I read this brief history of Central America while touring through 4 of these countries. It was very informative about past Mayan culture, but also the recent events which many of us in the US were unaware of while the civil wars raged in CA. I highly recommend it.
