Customer Reviews

This book will show you how to create your own LLC. Many people know about the tax benefits and legal protection that a LLC gives, but only a few know how to create one. Inside you will find

mistakes to avoid, steps to form your LLC, how to convert a current business to an LLC, and much more. I found this book a good informative read, suited to business people and entrepreneurs interested in this business form

I knew nothing about how to set up an LLC. My son-in-law, a CPA, said it would be a good idea for me, and so I got this book, read it, and found an online company to help me out, for a very reasonable fee. Now I have my LLC and have a good guide for expanding if I ever go beyond being a sole owner.

Amazing LLC guidebook for people like me who has minimal knowledge in this stuff! In this book you will learn how to form your LLC with the help of these easy to understand 10 steps. Good read and definitely worth buying!

It is a great guide for new entrepreneurs as it explains all tips and bits of LLC in a very detailed manner with proper examples, I really liked the book . Highly recommend

This is an okay book. This book is a brisk and brief guide that clarifies the intricate details of beginning and running an LLC. Happy to have it.

Provides a lot of useful information about LLC's, as a beginner who had no idea what an LLC was this book was very helpful.

Very easy to read helped me a lot with understanding how to operate my llc

It is easy for things to get confusing and complicated when transferring assets into an LLC. The federal paperwork is notoriously complicated, and even if you do manage to get through it, you will still have to complete the state and local paperwork. This often results in unforeseen tax requirements, which can slow the process immensely. It might actually be cheaper and easier to process your conversion as a merger with the LLC instead of a conversion, leaving the LLC as the surviving entity. The other option is to do a "statutory conversion," which is when a corporation is not legally dissolved before it is converted into an LLC.
