Spring Awakening - Vocal Selections

Synopsis

(Vocal Selections). Based on a controversial 1891 German play, Duncan Sheik and Steven Sater turned the story into an exciting rock musical that went on to win eight Tony Awards in 2007 including the coveted best musical. Our piano/vocal selections feature 17 of the songs, including: All That's Known * The Bitch of Living * The Dark I Know Well * I Believe * Mama Who Bore Me * My Junk * Those You've Known * Touch Me * The Word of Your Body * and more. This souvenir folio also includes great color photos from the Broadway production. PARENTAL ADVISORY: EXPLICIT LYRICS

Customer Reviews

Before I purchased this item, I was continually looking for a list of all the songs included but never found one. Here it is! Mama Who Bore Me All That's Known The B**** of Living My Junk Touch Me The Word of Your Body The Dark I Know Well And Then There Were None The Mirror-Blue Night I Believe Don't Do Sadness/Blue Wind The Guilty Ones Left Behind Totally F***** Whispering Those You've Known The Song of Purple Summer The book does not include the Mama Who Bore Me reprise, nor reprise of The Word of Your Body. Songs are arranged for piano, guitar, and vocals, including the harmonies heard on the Original Cast Recording. Includes various production photos. A good investment for any Spring Awakening Fan!

But I returned it because I thought it was a cd and not the music sheets.

It is great, but I really do wish it included the song mama who bore me reprise. Now I have to find it online, but other than that it's awesome!

This songbook is one of the better ones I have purchased. The vocal arrangements are true to the recording. It is wonderful to have all of the harmony parts for a change. The musical arrangements are pretty good but are not note-for-note in some songs. I am sure this was done to allow solo piano arrangements for guitar oriented songs. The only thing I was disappointed in was the omission of Mama Who Bore Me(Reprise).

Great book, seller is very recommended!

This was purchased as a gift for my daughter (19) who loves this musical. It was received in perfect shape, and she loved it. The music is easy to play without being an "easy" version.

Great to have this book. Fell in love with the musical when I costumed a professional production of it, and am very happy to have the music. I find the book to be very true to the performance composition. Highly recommend.

I was very pleased with the condition of this product upon arrival, however, I wish that it hadn't taken so long to get here when it only came from a state away.
