Synopsis

"The following pages are designed rather to suggest than to teach, to whisper than to speak. Yet all their whisperings are of importance, for their subjects are from the word of God; may they admonish and encourage, may they remind and direct, may they help and confirm the people of the Lord according to their respective needs; may they shew them where they have failed to determine, and where their determinations have come short; and, from time to time, reminded by these pages of these things, may they go on unto perfection, until the fulfilled determinations of time, (accepted in the blood of Christ,) bring to them the fruition of glory in eternity."
