"Romantic sweet and above all beautiful " Bloesem Blog

Rifle Paper Co. is a boutique stationary brand and design studio. Their stationary and invitations have been featured in publications such as Martha Stewart Living, InStyle and numerous blogs such as Oh Joy! and Design*Sponge.

Delicate and colorful, we used these to make a banner for my daughter's birthday party. The tiles can be re-arranged to form a different banner. The listing does not say how many tiles of each letter there is, so I'm copying it here: 8 tiles: florals 5 tiles each: A, E 4 tiles each: H, O 3 tiles each: B, C, D, G, I, L, M, N, P, R, S, T, Y 2 tiles each: F, J, K, U, V, W 1 tile each: Q, X, Z

I bought this garland to use at my wedding. Words to describe our wedding vibe: delicate, pastel, vintage, and rustic. This garland is perfect. The botanical print is lovely and I like the clean, simplicity of the font used. The only thing I would change about this garland is the metallic gold. On the back of the package it says "Tiles are printed with Metallic Gold inks." The metallic gold isn't

really metallic. It also reads as almost a brown instead of a gold. I wish they would have used real metallic ink for the letters because that would add another layer of style and class to the already lovely design. Small quibble though.

Not only is the design gorgeous and on nice heavy card stock, but you also get a CRAZY amount of letters! I was able to make 3 banners for a baby shower. When the party was over I was able to take the banner apart and put back in the sliding box to use some other time. The only thing I suggest is to buy additional ribbon if you're planning on making a larger banner. Seriously don't hesitate, it's worth every dollar.

This product is definitely worth the price. Rifle Paper Co products are so beautiful and this garland is no exception. The ribbon it comes with is white, however, not pink as shown in some photos. This will be perfect for a wedding, or any sort of bridal/baby shower, or any spring/summer event. You can make multiple phrases - I think that I made at least 5 wedding themed phrases with mine. Sturdy discs, strong ribbon.

Was worried that there would not be enough letters to spell out everything I needed but, much to my happiness, there were plenty of letters and even 8+ floral tiles. There was about 5 feet of ribbon so I used my own and made two 4+ foot banners. Very pretty and well constructed tiles. Will reuse for another purpose for sure.

Exactly what I was looking for, customizable to make my own phrases. The price point is perfect for a banner I'll be using over and over for multiple occasions. Product is high quality and very pretty. I love that it comes with a standard size of ribbon so if I ever need to replace it, then I can pick it up at a local craft store instead of rendering the product useless with replacement parts that cannot be readily located.

I bought these garlands (first only found them on but now they're being sold on Anthro) for a baby shower. Then it was my son's birthday. Then it was Christmas. And then Valentine's.... and somehow I've managed to keep up a running stream of words in my house for the past 6 months. I am obsessed with Rifle Paper Co and this garland is beautiful. Lovely colors. Lots of letters so you can use them in a variety of ways and say pretty much everything you want to, and also it includes floral garland flags that are totally adorable. I love them and I am so happy that I purchased. Also,

must add that the paper is good quality and sturdy. My 16 month old got into the box and got a hold of a few and they are still in good condition.

In true Rifle Paper Co form, this garland is beautiful. As other reviewers noted, the script is more of a bronze than a gold, and the ribbon is white (not pink as shown.) I wish that it had come with a longer ribbon or a second ribbon, as it was a bit of a squeeze fitting our phrase (granted, it was 27 characters). There are also a couple of letters that could use extras (plenty of A's and E's, not enough O's and U's!) Overall, however, I am very pleased with it- we are placing it on display in our nursery, and it could easily be used for a variety of celebrations.
