Now the classic "little blue book" is available in this large-print version to make it easier to read for those with impaired or failing vision. (The original size version is also available from ACTA Publications.) Since it was first published in 1924, Rosary Novenas to Our Lady has helped millions of people pray the Rosary with greater understanding and devotion. For each of the Joyful, Glorious and Sorrowful Mysteries there is a special prayer and petition, and a picture of the Mystery from the life of Mary and her Divine Son, Jesus. Instructions on how to pray the Rosary, the words for all the prayers and the promises made by the Blessed Virgin to those who pray the Rosary are also included in this treasured book. What better way to honor Mary, Queen of the Rosary, than by reciting her favorite prayer every day? --This text refers to an alternate Paperback edition.

This is the REAL DEAL.... the 1924 54 Day Novenas of Our Lady--- 2 complete rosaries -- 9 (15 decade rosaries) of Petition, followed by 9 more (15 decade rosaries) of Thanksgiving-- since each rosary consists of the Joyful, then Sorrowful, then Mysterious, mysteries... you make a full mystery rosary each day or 27 days for the first 9 and 27 for the final 9... hence, 54 days of Rosaries. This

novena dates to a message of Our Lady of Pompeii, and has been proven extremely efficacious MANY times. I know I've said it several times, and Our Lady has NEVER let me down. I MUCH prefer this book (as shown WITHOUT the so-called "mysteries of Light") as I firmly believe those "optional" mysteries created by JP II are NOT part of Our Lady's psalter. (A "psalter" consists of 150 prayers--Aves-- one for each of the Psalms) And this book ONLY has the three sets of mysteries that have been prevalent for centuries--and for those who like to cite the history and origins... etc. ad nauseum about the Rosary in their effort to justify the "new" mysteries, well--- it is enough for me to know that Our Lady actually RECITED the Rosary with both St. Bernadette Soubirou, (Our Lady of Lourdes) AND with the children of Fatima... and at NO time did she suggest a need for any "new" mysteries. I had three copies of the originally published "Benziger" copies of this book... and they had become so worn that I was elated to find this book--I had thought there would be NO chance I could find this--and yet I did. Thanks to for still carrying this, and I only hope more people discover this powerful novena booklet. I ordered several, and I'm certain these won't last much longer so get them while they last. And yes, the prayers are in Shakespearean dialect, and the prayers still refer to the "Holy Ghost". It is literally unchanged from the 1924 original. Beautiful illustrations, and wonderfully uplifting prayers of both petition and thanksgiving, AND meditation for each and every mystery accompany this novena. Anyone close to Our Mother in Heaven, will love this little blue book!

Had the small version of this but lost it during a move. Same exact thing here but just much BIGGER! (little booklet vs a regular size book) It is a copy of the original so not as perfectly clear in the printing but it's fine for me. Classic, awesome Rosary novena. Can't go wrong with this one!

I have said the ROSARY for years ----- I even have my mothers novena book from over 60 years ago----- but my eyes are getting worse and I use kindle books to read ----- and then I found this IN LARGE PRINT ----- and for just a few pennies anyone who says the ROSARY will love it -----

I prayed with this little book when I was a teenager in the 1960s, and I am delighted that it is back in print. The introduction in it gives a beautiful example of what one is doing when one prays the rosary. Its setup -- that we give the Blessed Mother Mary a rose every time we pray a Hail Mary, make a bouquet of each ten Hail Marys by binding them with a petition for a particular virtue, and then weave the five bouquets together with a Spiritual Communion to make a crown for Our Lady's head -- helps me focus my prayer and pray the rosary with love. This edition of "Rosary Novenas to

Our Lady" contains only the Joyful, Sorrowful and Glorious mysteries of the rosary. I believe a newer version is also available that contains the Luminous mysteries as well. If anyone finds the rosary a difficult prayer to pray, this little booklet might be a big help.

Use it all the time. It is the old edition and perfect! Do not like the newer edition, so I was thrilled to find this!

Old version. Doesn't include the Luminous Mysteries. Buy the updated copy.

An excellent little novena booklet. Would recommend to anyone, not only does it have beautiful meditations, but it really helps give a reason to pray everyday!

Queen of the Most Holy Rosary!!!!one of the best ways. thank you!!!
