Angelo Tropea has written more than 50 books on civil service exam preparation and exams such as the New Citizenship Test. By means of books, software, film and personal presentations, he succeeds in turning what is difficult into something easy and fun to learn. This applies especially to the Citizenship Exam which he has simplified in this book.

If you need guidance on how to study for a test, this is a reasonable book. If you need to see the questions so you can learn them, you don't. The CIBP have a free booklet that tells you all this (and also some interesting context behind the questions). They'll give you this free on request, or likely give you one without a request when you get your biometrics done.
