I liked the fact there was a paper map included. It gave me a back up and a good overview of the area to plan how we were going to hit all the attractions without too much back tracking. Helpful to also have traveler tips and an idea of the cost to budget ourselves wisely.

great little "pocket" guide; very thorough and helpful. also gave one as a gift. full of current information. fit perfectly in my pocketbook. we were able to plan our daily trips effortlessly. THANK YOU!

Well organized. Compact size. Nice map.

I love how the places to visit are categorized according to type of visit and also what's in vicinity along with the other great places to see. Gave me a really great picture of the city. It was easy to figure out where to go and what to visit first then next.

I purchased this paperback travel guide to Copenhagen for a 3-day stay in Copenhagen in May, 2017. I wanted something compact, yet detailed enough to guide me around Copenhagen. This was an excellent travel guide and the large, removable laminated map of Copenhagen that was folded inside a plastic pocket inside the back cover was a great bonus. This guide has good information on Danish currency, the Copenhagen transit system, the Copenhagen Card, restaurant & hotel recommendations in addition to detailed 1-day, 2-day & 3-day itineraries that were excellent.

It was somewhat helpful.

Very basic. Not enough history or explanation.
