This book is a great read and I see why it is becoming more popular. Very insightful and thought provoking.

Good travel book.

As sold, my mom is looking forward to exploring the area.

helped a lot with a vacation trip

It is not exactly what I expected for this title, there is a lot of information, but I was looking for something more deep about these two cities with their incredible history and beauty.

Great insight for a first time visitor

Great guide. Got to me quickly and full of great facts to help in moving or traveling to Savannah. Real simple and straight forward.

I am very pleased to find this specific title as we are planning an early spring trip into this area.
