i enjoyed this book. it's so difficult to get a book that has both languages. it was fun and i was able to brush up not only on my portuguese, but have recipes that i was brought up on. thanks for the opportunity. the vendor made quick contact notifying me that they had recieved my order and promptly shipped it. much appreciated for the great service. Thank you!

I have been looking for a book like this for ages with both English and Portuguese in the recipes! It has all the recipes mum and dad make at home!!

I really enjoyed this book because it is written in two languages for those that speak both languages Portuguese and English and the receipes are very typical. The books are actually in great condition. thanks
