Customer Reviews

Good variety of selections from different eras, exploring English, French, German & Italian.

I have half a dozen vocal literature books for my teacher to choose songs from. this is my "go to" book for my teacher's first song choices to learn.

Bought this book for school great selection & great that it comes with the accompaniment!

It is a perfect book for my daughter's voice lessons.

This is a very good compilation of the "standard repertoire" for Mezzo Sopranos. It allowed me to

learn/work on pieces that I otherwise may not have ever heard/thought of. It is a great, economical, starting point.

Thank you!

Great selection of songs from many different composers and languages.

Good quality. No problems with it/getting it
