James R. White is the author of several acclaimed books, including *The God Who Justifies* and *The Forgotten Trinity*. The director of Alpha and Omega Ministries, he is an accomplished debater of Muslim apologists and an elder of the Phoenix Reformed Baptist

Psalm 119:160 The entirety of Your word is truth, and every one of Your righteous judgments endures forever. V. 42 says - So shall I have an answer for him who reproaches me, for I trust in Your word. These two verses tell us that God's entire word is true and a man can trust in the truthfulness of His word for support of his belief to anyone who asks. Proverbs 30:5-6 Every word of God is pure; He is a shield to those who put their trust in Him. Do not add to His words, lest He rebuke you, and you be found a liar. Compare this with II Timothy 2:15; 3:15-17. and you have it, Scripture alone. Jesus said to the religious elite of His day - Matthew 15:6-9 "...Thus have you made the commandment of God of none effect by your tradition....these people draw near Me with their mouth, and honor Me with their lips, but their heart is far from Me. And in vain they worship Me, teaching as doctrines the commandments of men. The apostle Paul gives the same warning in Colossians 2:8. James White does an excellent job in his defense of Scripture Alone. We must never add to or take away from the literal truth of God's Word by adding man's false teaching or

altering the literal meaning of His Word. I say false teaching because anything man adds to God's Word is clearly false and God warns against it. I highly recommend this book - Bob Jones - Canada

Dr. White presents in this wonderful 217 page book a very detailed presentation for the case of the infallible and inspired Word of God, and how it alone is fully sufficient. In just 12 chapters Dr. White is able to bring many discussions on whether the Bible is truly sufficient or not to light. The discussion goes from sound exegesis of the text, to the canon of scripture, to church tradition, and even to the "Gospel" of Thomas. I definitely recommend this book to anyone who wants to start a thorough and thoughtful study on Sola Scriptura, however don't stop here, this book is an introduction not the meat of the discussion. A small quote from this work: "Sola Scriptura, like all divine truths, leads us to recognize God's awesome glory and our desperate need. Just as for salvation we are completely dependent upon the all sufficient grace of God, so too are we dependent upon his self-revelation for the knowledge of our Savior, His work, the gospel, and everything else contained in divine revelation. To believe in sola scriptura is to allow God to speak without interruption." (Page 25)

Having the Holy Scriptures to lead and guide you throughout the Bible is uplifting. I plan to read this one again and give it to a few spiritual leaders for Bible study.

This book thoroughly and beautifully covers what is perhaps the most important and foundational doctrine within Christianity. What you believe about the Bible will determine what you believe about every other doctrine. White argues that the majority of heretical viewpoints coming from those claiming to be part of the body of Christ can be rooted in a low view of the scriptures. This book is also helpful because it builds confidence and knowledge in a believer who has any desire to have apologetic conversations in defense of the Scriptures. I highly recommend this important book.

White uses fictional dialogues to defend his positions, and while this is seemingly an unfair tactic, he does so considering seemingly every possible objection of the opponent. Great book.

Great book, and as the author himself writes, a good start to understanding sola scriptura. He mentions many great sources of information on Christian history; and gives great and deep methods of defending the bible in conversations.

i like reading about theology

A gospel centered presentation.
