Customer Reviews

a lot of nice pieces included, and best of all they are easy

The music was extremely easy. I would never perform any of these pieces. May be for a very young duet.

great collection - the kids love it

GOOD GOOD

It is a book for children between 5-8 years old. short short short version of pieces no more than 1

page. probably good to suzuki teachers. If you want a gig book this is not a good one.
