"Autographs: A Key to Collecting" by Mary Benjamin, 1963, 345 pages. Written by the great female autograph dealer; I bought several items from her. Provides a historical summary of: collecting, terminology, evaluation in pricing a document, famous forgers, how to detect forgeries, confused identities, care and preservation, and two nice tables detailing the names of Napoleon's marshals and family members. Needed by anyone thinking about investing money into buying autographs.
