## Customer Reviews

Excellent resource for my upcoming trip. Well written, simple to locate information I need and kid friendly. Looking forward to more guides from this author.

Lots of great tours to take. I am so excited about going to Milwaukee. So much to see and this guide is great. It has everything you could think of in it.

I was very disappointed with this book. It is basically a list of places with web links. There is little to no description of the places. and what there is to do or what should not be missed. Also, something is off with the formatting, and many times a photo was covering text. I wish I had asked for a sample before purchasing.
