Customer Reviews

"Light enough to slip into your pocket, but still contains all the crucial info." - Independent on Sunday --This text refers to an alternate Paperback edition.

Super tiny publication with tiny print. About the size of a checkbook, but with smaller pages, rendering it all but useless. There are other pocket guides that are much better, like [Lonely Planet Pocket Dublin \(Travel Guide\)](#). I generally like Eyewitness Travel guides, but this is the exception. You've been warned! Don't waste your money.
