Beth Lindsay Chapman, Candice Dowling Coppola, and Carla Ten Eyck are three creative and entrepreneurial women of style, substance and charm. They are a trio of friends powering their successful businesses with imagination, a commitment to family and community, and a dedication to inspiring brides to think outside of the wedding binder. Based in Connecticut, and longtime veterans of the retail, event planning, design, art and photography industries, they share their expertise in their first book, *The White Dress: in color*.

The book is DIVINE! I can tell how thoughtfully curated it is. Each page is delicately crafted and rich

in content. Beautiful and creative and just more than lovely. It is a stunning piece of art. There are so many images and the content describing and explaining all the details is so wonderful. Every page that I took in, I imagined even more ideas - and that is exactly what a book like this should do. I loved that so many different cultures, body types and colors, and aesthetics were highlighted. You know how sometimes you don't want the movie to end? Yeah...that's what happens at the end of this book...you're ready to read it just one more time (or three).

This is one of the most beautiful books I've ever seen. I am beyond happy at its quality and elegance. I not only purchased one for myself but a few more for my friends who are getting married and my friends in the bridal and event planning industry. I can't wait to gift it to them. I highly recommend this book to all of those that love fashion, beauty and inspiration.

The book is filled with some great images and inspiration to help create that perfect atmosphere for your wedding. I love how they break down each shoot with color theory and how they assembled the look. I bought 4 copies. Plan on giving them away to some of our clients.

Every different inspiration in this book is just gorgeous! If you are looking for wedding ideas or just want to be inspired by amazing photography and unique ideas, then check out The White Dress in Color.

I love every photo shoot that is showcased in this book. Worth the purchase.

It is beautifully done, from photography to text, and very well appointed.

Such a gorgeous book. Love my copy!

All the pictures, concepts, design and layout are stunning! Bridesmaids take note...Awesome gift for the bride to be! Great keepsake to look at timeless wedding design.
